

AMHSA's Move Complete

AMHSA's move is complete and although not without complications we are now operational. We have had some issues with our phones and email over the course of the past month so if you've sent us something and not got a response please do try to contact us again.

Our **correct** new address is:

**#160, 2833 Broadmoor Blvd
Sherwood Park, AB T8H 2H3**

Our new **phone # (780)417-3900** (local in the greater Edmonton area) and our **fax # (780)417-3940** and our toll free # 1(800)267-9764 will remain the same.

****** Please check and update your records as earlier information was in error.**

****** All future inquires, payments, invoices, etc...should be directed to our new address.**

Mark your Calendars - Upcoming Conferences!

Later in 2006 there are two health and safety conferences that AMHSA gets involved in:

- **Health & Safety Conference Society of Alberta** – this year's theme is: Health & Safety – A Balancing Act and will be held in Edmonton November 20th – 22nd. More information can be accessed via their website at: www.hsconference.com
- **RUSA/ACSC/AMHSA Safety and Utilities Conference:** December 4th – 7th in Red Deer. Trade show registration has begun and space is limited, so register early. More information can be found at www.rusa.ca. A schedule and registration package will be included in our next newsletter.

Schedule Your 2006 Audit

If you are due for an external audit this year and have not yet contacted our office, your external audit is in jeopardy. AMHSA requires that all requests have been made prior to August 15th in order to allow sufficient time for scheduling. Contact Susan ASAP at 1(800)267-9764 or by email susan@amhsa.net if you have not already done so to ensure that your audit does not get missed!

What's New at WCB

Assisting Employers with Business Planning - [2007 Forecast Premium Rates](#)

WCB produces forecast premium rates to help employers plan their business and budgets for the upcoming year. These rates are based on financial assumptions from May 2006.

Key financial assumptions include early indications on the growth in the Alberta workforce, rate of inflation, investment performance, and trends in the number of claims, costs and duration.
