## About AMHSA

The Alberta Municipal Health and Safety Association (AMHSA) is an educational non-profit organization that promotes occupational health and safety and environmental stewardship in the workplace.

We have a membership of 60,000+ members in 19 cities, 108 towns, 88 villages, 51 summer villages, 64 counties and municipal districts, and six specialized districts.

Since 1990, our mission has been to assist municipal employers and workers in implementing effective Health and Safety Management Systems (HSMS) and educating both employers and workers through classroom and online training.

As a recognized leader in municipal HSE excellence, we partner with municipal employers, workers, and strategic partners to educate, equip, and inform with knowledge and skills that will keep them and their co-workers safe, and reduce the costs associated with workplace incidents.
